

Visit us at **CLEAN LABEL CONFERENCE**
March 27-28, Itasca, Illinois, USA

Good morning,

We are pleased to announce our presence at the **Clean Label Conference, March 27-28**, Itasca, Illinois. If you are not registered yet, [click here to access](#) the official event registration page.

Joe Rios, North American Director for Food Division, will speak about clean label ingredients for beverages **from 11:30 am to 11:45 am**. You will have the opportunity to learn about the high-quality and functionality of Nexira's Guarana & Acerola Extracts, perfectly suitable for label-friendly products!

For this special event, our ingredients will be used in two clean label recipes at the buffet: Smoothies full of energy with our [Guarana extract](#) providing Native Caffeine and Muffins rich in fibers with our [Fibregum™](#) (organic acacia fiber).

We wish you a good tasting!

We look forward to seeing you.
Kind regards,
Nexira Sales team
